

Guest Day Pass Procedure

Below is the process for obtaining a Guest Day Pass:

- You must have a current membership with Guest Privileges.
- If you possess a Family Membership, only the Primary Member, who is the individual with the "G" notated on their membership card, can bring a guest or use a Guest Day Pass.
- You're limited to one additional guest for a specific day, for a total of two guests at that time. One with guest privileges, and one with Guest Day Pass.
- Our bylaws prohibit the use of our facilities for the purpose of personal gain, so the Guest Day Pass or Guest Pass is not to be used for that purpose.
- At least 24 hours prior to arrival at the range, send an email to: lfscmail@gmail.com and include your name and membership number, and specific day and approximate time of arrival to the range. Please make email subject "Request Guest Day Pass" so we can prioritize the request. You'll receive an email to acknowledge your request. You can print the email as your verification and have it at the range in the event you're asked to verify individuals in your group.
- Upon arrival, and prior to using any range, place \$15.00 in an envelope, preferably check or Money Order, and note on the outside of the envelope your Name, Membership Number, and date for Guest Day Pass to be used. Place the envelope inside the blue Drop Box located in the clubhouse foyer.
- Once you make the request, and you've received an acknowledgement, you owe the club \$15.00. If you decide not to bring the additional guest, and were not given notice by emailing lfscmail@gmail.com prior to the date you've told us, you still owe the fee. This is the only way to audit who is or isn't paying the fee.
- No guests are permitted to use the Indoor Range or any part of the 300 Yd. Range.

The above procedure is necessary for purposes of insurance and accountability of individuals on our property.
